

Nancy P. Blumenthal, DNP, CRNP

Nurse Practitioner

**Titles**

Clinical Director

Personal Statement

Dr. Blumenthal has been a nurse with the Penn Lung Transplant Team since its inception in 1991. She cares for patients and their families throughout all phases of lung and heart-lung transplantation including consultation, evaluation, transplantation and follow-up. In her role as Director of Clinical Practice & Senior Nurse Practitioner, Dr. Blumenthal leads the interdisciplinary team in clinical care planning and partners with her medical and surgical colleagues in the strategic planning and development of the program. Widely published on topics of lung transplantation a...
